Tesco Bank Value Car Insurance Policy Summary

keyfacts®

This is a summary of cover available under Tesco Bank Value Car Insurance. It does not include all the policy benefits, limits and exclusions. Full terms and conditions can be found in the Policy Booklet, a copy of which is available from Tesco Bank.

Tesco Bank Value Car Insurance is underwritten by Covea Insurance plc, except for Section M – Motor Legal Protection (Tesco Legal Guard) which is underwritten by Ageas Insurance Limited. Covea Insurance plc and Ageas Insurance Limited are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Tesco Bank acts as an insurance intermediary.

The contract is made up of:

- The Policy Booklet, this gives full details of the terms and conditions.
- Policy Schedule, this shows the period of insurance, which sections of the policy apply and details of applicable excesses and endorsements.
- Statement of Fact, this shows the information you have provided to us.

You must tell Tesco Bank about any changes to the information detailed on your Statement of Fact or Policy Schedule. Please remember that if you do not tell Tesco Bank about any changes this could result in your contract of insurance being voided (as if the policy never existed), all claims under your policy being refused and all premiums that you have paid being retained.

Procedures

Cancellation Procedure

If you cancel within the cooling-off period

You have 14 days from when you receive your policy documents or enter into this contract, whichever is later, to notify the administrator if you want to cancel your policy. This is known as the 'cooling-off period'. You can cancel by phoning the administrator and cancellation can take effect immediately or from a later date, although it cannot be backdated to an earlier date. You must then return your Certificate of Motor Insurance to the administrator, as it is an offence under the Road Traffic Act not to do so. You can return your Certificate of Motor Insurance by post or can surrender it by sending an email to the administrator to confirm this. If you call to cancel, the administrator will advise you how to do this when you contact them. If cover has not yet started, the administrator will refund any premium paid in full. If cover has started, the administrator will refund your premium for the time that was left on your policy as long as you have not made a claim where the car is written off (a 'total loss claim').

If a total loss claim has been made in the 'cooling-off period', you must pay the full annual premium and you will not be entitled to any refund.

If you cancel outside the cooling-off period

After the cooling-off period, you can cancel this policy by phoning the administrator and cancellation can take effect immediately or from a later date, although it cannot be backdated to an earlier date. You must then return your Certificate of Motor Insurance to the administrator, as it is an offence under the Road Traffic Act not to do so. You can return your Certificate of Motor Insurance by post or can surrender it by sending an email to the administrator to confirm this. If you call to cancel, the administrator will advise you how to do this when you contact them.

If no claims have been made during the current period of insurance, the administrator will refund your premium for the time that was left on your policy, less its cancellation charge.

If any claim has been made during the current period of insurance, you must pay the full annual premium, plus a cancellation charge, and you will not be entitled to any refund.

If we cancel

The administrator, on our behalf, or we can cancel this policy, for a valid reason or on serious grounds, by sending you seven days notice of cancellation to your last known address.

Examples of a valid reason or serious grounds may include, but are not limited to:

- Non-payment of premium (including missed direct debit payments) that is not resolved following our reminders.
- Not providing proof of no claims discount that is not resolved following our reminders.
- Failing to comply with the policy conditions, as outlined in the policy booklet.
- Failing to cooperate and/or provide the necessary information required to enable us, or the administrator, to administer your policy, claim or investigate fraud.
- Where fraud is suspected.

- Where threatening, abusive or offensive behaviour has been used towards us or the administrator.
- Where any change you tell us about occurring during the term of your policy that alters the information on your policy documents resulting in us no longer being able to continue cover.

You must then return your Certificate of Motor Insurance to the administrator, as it is an offence under the Road Traffic Act not to do so. You can return your Certificate of Motor Insurance by post or can surrender it by sending an email to the administrator to confirm this. If you want to surrender your Certificate of Motor Insurance this way, please contact the administrator who will advise you how to do this.

If no claims have been made during the current period of insurance, the administrator will refund your premium for the time that was left on your policy, less its cancellation charge.

If any claim has been made during the current period of insurance, you must pay the full annual premium, plus a cancellation charge, and you will not be entitled to any refund.
